BUTTERMILK FALLS INN & SPA

Where: Milton, NY

On the 70-acre Hudson Valley estate [Buttermilk Falls Inn & Spa](#), you'll find a restaurant, spa, and 10-room inn (there are also a dozen private cottages). Henry's at the Farm sources from its organic garden, orchard, and beehives, plus nearby Millstone Farm, which welcomes inn guests who hunger for a peek at the country lifestyle. Wake up to a power plate (quinoa, avocado, vegetables, and eggs sourced from the inn's chickens), then book a pre-natal massage at the eco-friendly spa, where only organic and biodynamic products are used.
