Sometimes you're so in need of an escape that just planning one makes your brain hurt. That's when you make a call to one of these three haute resorts, where "all-inclusive" is more like "all you've ever dreamed of" and the only time you leave the grounds is when you check out

### The Singular Patagonia

**Puerto Natales, Chile**

Mountaineering and Messages at the Edge of the World

→ Fair warning: It takes about twenty-four hours to get from the U.S. to the tip of Chile. That's another way of saying that you don't come to the Singular Patagonia for a long weekend and "a lil' R&R." You trek this far, deep into pristine wilderness at the base of the Andes, because you need at least two weeks away from

everything—the traffic snarls, the Facebook invites, the work e-mail you swear you'll ignore but never do. Rehab starts once you're staring out of the twenty-foot-wide window in your room, one of fifty-seven built adjacent to an old cold-storage facility, overlooking the Fjord of Last Hope. You can find serenity in the vaulted
