Tcherassi Hotel + Spa
Colombia

This stylish boutique hotel in Cartagena's UNESCO-listed Old Town effortlessly marries couture sensibilities with the rich history of the colonial mansion that the property occupies. Out of the hotel's mere seven rooms, the 1,200-square-foot Trilevel Gazar Penthouse Suite is the best of the bunch, with a private staircase that leads to a secluded rooftop pool and sun deck, giving a whole new meaning to the term "high fashion."
